

GREEN SCHOOLS FOUNDATION GRANT APPLICATION FALL RFP 2008

Green Schools Foundation Grants provide an opportunity for staff to fund creative ideas that will enhance student learning opportunities. **Applications are due by October 3, 2008 and grants will be awarded by November 6 in order to utilize materials for this school year.** A second round of applications will be available the beginning of 2nd semester.

Characteristics of grants high in approval potential would be those that meet the following criteria:

- Tied to our curriculum inclusive of the total student
- Emphasize interactive learning with active student/teacher participation
- Creative
- Community oriented
- Incorporate technology
- Beyond routine budgeted items
- Geared toward interdisciplinary cooperation

Procedure for Application

- **If the grant requires any technology, please include how the project ties into district and/or building technology plan.**
- **Complete application form and obtain principal's signature**
- **Submit to the Curriculum Office by October 3**
- **Attach any support materials to original application**
- **Approved applications will be required to exhibit at the Green Learning Expo**

Note: The Foundation looks to fund projects between \$300 -\$500. Grants may be partially funded as well. Remember to include additional 10% for shipping costs.

Comments from Principal: How does this impact your building goals? Be specific.
