September, 2009

Dear Friend of Green Schools:

The Green Schools Foundation (GSF) is a dedicated group of active parents, alumni of Green, professional educators, municipal leaders and local business people. The Foundation is a *501(c)3 non-profit organization* that is dedicated to furthering academic excellence in the Green Schools by providing scholarships to high school seniors and academic classroom grants to teachers, which benefit our students of ALL ages. GSF is one of the largest citizen organizations in the City of Green.

Academic classroom grants are awarded to classrooms whose teachers have applied for a grant and have shown a need for additional classroom funding. Over the years, the Foundation's Academic Classroom Grants have provided classrooms with extra materials that are *not* normally provided for by tax dollars.

### **GSF is starting our annual membership drive in August and we would like to have your support!**

As a member of the Foundation, you will receive a quarterly newsletter, a GSF window decal, your name listed on the Foundation web site and the opportunity for your child to receive a GSF member scholarship upon graduation. The Valedictorian Level also receives a GSF Polo shirt. You would also have the satisfaction of knowing you have helped enrich the academic lives of Green students.

In addition, GSF is always looking for Foundation Members that have the expertise and ability to donate their time for our common cause. We are looking for those with knowledge in law, accounting, marketing, website design or just a passion to assist in general committee functions. Please let us know if you can help.

We thank you in advance for your support of the Green Schools Foundation. We hope to hear from you soon.

Sincerely,

Nancy Pruneski  
Green Schools Foundation President
